

# Experience Flexsteel's® Acute Healthcare Advantages

Flexsteel Industries, Inc. is like no other furniture company. With more than 120 years of experience, Flexsteel offers diversified products that are uniquely tied to its famous Flexsteel spring system.

Flexsteel's collection of Acute Healthcare products includes this specially designed, patent-pending DualFlex Seat Spring System. This support system features high-carbon, blue steel banded platforms and helical spring supports for the utmost in seat comfort and durability.

Also included in this collection of patient chairs is our patent-pending SpringFlex Back and one-touch FlexLock lockout.
